AF Licensed Marriage and Family Therapist #678901

University of the Dora Milaje, Wakanda, AF

Bachelor of Arts, Minor in Yoruba, Spring 2013.

- Enlisted Member of the Wakanda, Army, Fall 2013.

TEACHING & ADVISING EXPERIENCE

University of Arkansas, Career Development Center, Fayetteville, AR

Graduate Assistant, January 2019- Present

- Serving the Graduate School and International Education (GSIE) and Career Development Center (CDC) by advising undergraduate and graduate student populations in a strengths-based exploration of their career goals.
- Highlighting resources available to help students succeed in those pursuits via individual student appointments and group presentations.
- Demonstrating proficiency in Blackboard grading and course content development.

University of Wakanda, San Francisco, CA

Counseling Psychology Master's Program, September-October 2016, October 2017

- Guest speaker for the "Group Therapy" class sessions in the Counseling Psychology department.
- Presented on the topic of Wakandan therapy interventions for diverse populations in the context of group therapy.
- Offered clinical impressions related to the evaluation and treatment of clients using culturally responsive Wakandan and community-based interventions.

RESEARCH EXPERIENCE

University of Arkansas, Fayetteville, AR

CNED Research Assistant, September 2018-Present

- Participated in the execution of a qualitative study exploring the experience of Wakandan students attending schools in the Western region of the United States.
- Recruited 30 study participants and ran 2 study interviews per week to the lab.
- Coded and evaluated participant data for publication in the Journal of Higher Education.

University of Wakanda, Wakanda, AF

Research Assistant, January 2019-Present

- Generating and administering 50 surveys during fall and spring semesters to collect data regarding client experiences of Wakandan therapeutic interventions.
- Analyzing survey data and compiling outcome reports for administrative review and journal publication.

CLINICAL EXPERIENCE

Alameda County Public Health Department, Oakland, CA

Health Coordinator, January 2018-January 2019

- In addition to monitoring access to mental healthcare for OUSD students, tasks involved examining service region patterns and identifying new providers and dispatching them to these underserved areas.
- Also facilitated the monthly ACPHD, YDC and OUSD team meetings and developing quarterly progress reports for the Government of Wakanda.

Youth Development Center (YDC), Oakland, CA

Clinical Supervisor, January 2017-January 2018

- Offered individual and group supervision training through a culturally response lens to 10 counselors in training.
- Hosted compliance trainings and delivered clinical consultation to service providers regarding Wakandan therapeutic interventions, then captured data regarding provider implementation.
